We are excited to announce some changes in our dispatch department. First, please warmly welcome Stephanie Reed. Stephanie recently moved from Georgia to Colorado. In Georgia, she has worked in transportation logistics from just about every angle imaginable. She brings with her fresh ideas and many skills that will be of great benefit to all drivers and customers.

Secondly, we have recently promoted Jesse Davis to Dispatch Manager. Jesse has exhibited tremendous leadership while we have been less available with Donne's brother's illness. We have recognized his amazing ability run the dispatch center and work with many other factions of our business in our absence. Please to congratulate him!

New and Familiar Faces Behind the Wheel...

New Hires and Anniversaries

You may have noticed some unfamiliar faces driving our rigs. Be sure to introduce yourselves if you bump into each other.

Our most recent additions are Marcus, Angie, Gary, Donna and Tim. Marcus has worked here in 2015 for several months. After a break, he decided to get back on board here. He says out of the 6 companies he's driven for, Indian Creek has the best program for him. That is awesome to hear that all of you make this

company a great place to work!

Many team members have had anniversaries since the beginning of the year. It is an *honor* to work amongst such an incredibly loyal staff. In the office, Mary has been with us a whole year now! In the shop, Rick celebrates his 3 year mark this month. Drivers anniversaries since the first of the year are: Pat, 11 yrs, John Tadin, 7 yrs, Milan, 2 yrs, Shelly, 1 yr, Shawn, 1 yr, Merle, 1 yr.

In April, our mechanic Rob will

have been here for one year, and drivers Nathan and Al reach their 4th annual milestone! Thank you to all of you!

If you have anything you'd like to contribute to this newsletter in the future, please submit it to April at april@indiancreekexpress.com
